Description

Decision

Since the 2nd Edition is in FDIS, we cant make any content changes (only typos and such). So, we need a draft of a 3rd edition created, with AM-MAM and description added. Shawn to contact Part-9 team, David B. for Part-9 discussion (and Jerry) Contacted David and Jerry on 10/20/2015. The business function of MAM is now under Part-4 IRM list. [2017-10-26] MAM falls into the current generic Asset Management in IRM. Nothing special about meter from asset management perspective. Issue can closed (Richland Meeting)
