- Status changed from New to In Progress

#2 - 12/06/2022 09:01 AM - Vladan Cvejic

- Status changed from In Progress to Closed

- WG10 Proposal changed from The Standard shall be extended to support the proposal

The ICT should be able to create an instance from an SCD file (put this optional) Camille in charge (2019.01.23- already created - waiting for new Ed/revision to be published) to The Standard shall be extended to support the proposalThe ICT should be able to create an instance from an SCD file (put this optional) Camille in charge (2019.01.23- already created - waiting for new Ed/revision to be published)

- Discuss in Upcoming Meeting set to No

- To discuss in WG10 set to No

- Needs More Information set to Yes

Since there is no representation from ENTSO-E anymore we can close these tickets for now. Additionally, we can eventually re-open if in the future similar needs are identified by other users.
