CIM Impacted Groups:	WG14	Originally Assigned To:
Requestor:	David Haynes	
Description		
The update to 61968-1 necessitates a change to 61968-9 and possibly other parts. Part 9 either needs the sequence diagrams redrawn with Part 1 lifelines and a mapping added to common names, or keep the common system names in the lifelines and carefully explain the mapping in a preamble.		
Proposed Solution		
Change the document. No impact to the CIM.
