Description	
<p>The Certificate needs to be updated to include the file name of the test procedure document. Suggest we add it in () after the current text in the Certificate.</p> <p>This name needs to be provided in the submission form. Need to determine where, but should be in the Test Lab Tab?</p> <p>Also need to discuss if there are additional KeyWords needed. Already added TestSet.</p>	

History

- Due date set to 01/23/2024

#2 - 01/23/2024 04:40 AM - Richard Schimmel

The certificate already refers to the exact version of the test procedures. I see no added value to mention the file name on the certificate. Test lab can provide the TP file name etc. in the submission form.
